McDonnell & Miller
a xylem brand

McDonnell & Miller offers boiler controls and power switches.

Metraflex offers vibration isolation, noise dampening, thermal expansion and contraction, pipe alignment and seismic movement, pump connections and flow conditioning.

Olimpia Splendid is an Italian family owned company that since 1956 has distinguished itself as an industry leader in the design and manufacturing of its Air Conditioning, Heating and Air Treatment products.

Panasonic offers ductless mini splits and light commercial ECO i VRF. These advanced cooling and heating systems provide the perfect energy efficient solutions for an entire home, addition or light commercial application.

Sentinel is an manufacturer offering water treatment products and services that provide the best lifetime protection for heating and hot water systems.

TISDALE MANUFACTURING
MODULAR HVAC & PLUMBING PACKAGES

Tisdale Manufacturing designs, manufactures, and commissions energy efficient, compact, modular HVAC and plumbing packages.

wessels
company

Wessels is an manufacturer of expansion vessels, pressure tanks, Glycol packages, air separators, buffer tanks, Flash tanks and custom fabrication.essels that are cost competitive and delivered on a timely basis.

Zilmet is an manufacturer of expansion vessels, pressure tanks and plate heat exchangers.
